

## 2023 Sec 1 Posting Exercise for Sec 1s in 2024

### **General Information on Sec 1 Posting**

From 2023 Sec 1 Posting Exercise, students will be posted to secondary schools through three groups i.e., Posting Group (PG) 1, 2 or 3, mapped from existing PSLE score ranges (see table below). This ensures that schools will continue to admit students with diverse strengths, and students will continue to have access to a wide range of schools. PGs are only used for the purpose of posting students into secondary school and to guide the initial subject levels that they can offer at the start of Sec 1.

With Full SBB in secondary schools, students will have greater flexibility to study more subjects at different levels that suit their interests, aptitude and learning needs. There will no longer be separate Express, N(A), and N(T) streams, and students will be in mixed form classes where they can interact with peers of different strengths and interests.
