

Dear Parents and Guardians,

Greetings from the Parent-School Support Group (PSSG)!

As a fellow parent and the newly appointed Chairperson of the PSSG at Paya Lebar Methodist Girls' School (Secondary), I'm excited to share a little about who we are, what we do, and how you can be part of this special journey.

At the heart of the PSSG is a simple but powerful mission: to support the school in achieving its mission, and to serve as a bridge between parents and the school community. We believe that when families and schools walk hand in hand, our daughters thrive—not just academically, but emotionally, socially, and spiritually.

In doing so, the PSSG also seeks to promote and build stronger family bonds. The PSSG is made up of parents who care deeply about our children's growth and well-being. We initiate meaningful parent-child activities, and create spaces where parents can connect, learn, and grow together. Whether it's attending a parent-child event, sharing parenting experiences, or simply being present, every contribution makes a difference.

Joining the PSSG isn't about having lots of time or special skills—it's about having a heart and desire to journey alongside other parents and contribute meaningfully to the school in the process. We welcome you to come as you are, and to be part of a community that uplifts and inspires.

If you're curious or keen to get involved, we'd love to hear from you. Please visit our PSSG page on the school website: <https://www.plmgss.moe.edu.sg/about-us/pssg/>

Together, let's build a vibrant and supportive environment where our girls can flourish.

Warmest Regards,

**Sebastian Teo**
