ITE CERTIFICATION SYSTEM (FOR FULL-TIME PROGRAMMES)

The ITE Certification System comprises three certification levels as follows:

- **National ITE Certificate (*Nitec*)** for courses that require completion of GCE ‘N’ Level or GCE ‘O’ Level as an entry requirement, with pre-requisites for certain courses.
- **Higher National ITE Certificate (*Higher Nitec*):**
 - 2-Year Higher Nitec** – for courses that require GCE ‘O’ Level or GCE ‘N’ (Academic) Level with pre-requisites as an entry requirement.
 - 3-Year Higher Nitec** – for courses that require completion of GCE ‘N’ Level or GCE ‘O’ as an entry requirement, with pre-requisites for certain courses. Students enrolled in 3-Year *Higher Nitec* courses will undertake broad-based foundation courses exposing them to fundamental skills needed for the relevant industry sector in Year 1. In Years 2 and 3, they will then take more specialised modules, leading to a *Higher Nitec* certification.
- **Technical Diploma** for courses that require relevant *Higher Nitec* or *Nitec* as an entry requirement.

ITE FULL-TIME TRAINING SYSTEM

ITE offers a wide range of full-time courses at the Technical Diploma, *Higher Nitec* and *Nitec* levels. ITE’s full-time courses are conducted in a Term-based Credit System of Training.

In each term, students take specific **modules** and are assessed on their performance in each module. On passing a module, credit points will be awarded to the students. Students who have accumulated the required number of credit points stipulated for the course of study will be awarded an ITE certificate.

ITE COLLEGES

Under the ‘One ITE System, Three Colleges’ Model, ITE’s curriculum is delivered across three Colleges in Singapore. All Colleges promote multi-disciplinary and cross-level learning.

To help students learn better, each ITE College is equipped with high-tech learning spaces that are conducive for digital learning approaches. Practical lessons are conducted in exciting, authentic learning environments that simulate actual work situations like aircraft hangars, well-equipped training kitchens and restaurants, sound stages, AR/VR studios, retail and healthcare labs, to name a few. Students also receive training from digital learning platforms, accessed through mobile devices and personal computers.

Our Colleges have extensive sports and recreational facilities too, such as swimming pools, gymnasiums and courts for volleyball, badminton, basketball and tennis. Students who are interested in Performing Arts have opportunities to hone their skills in black box theatres and dance studios.

Each College provides an environment for students to thrive, whether in their studies or in their areas of interest.

The locations of the three ITE Colleges are as follows:

ITE College Central

JANUARY 2023 INTAKE EXERCISE

Joint Intake Exercise ‘N’ (JIE ‘N’) for 3-Year Higher Nitec and 2-Year Nitec Courses

The **January 2023 Joint Intake Exercise ‘N’ (JIE ‘N’)** is conducted to enable GCE ‘N’ (Technical) / GCE ‘N’ (Academic) / GCE ‘O’ Level holders to apply for **3-Year Higher National ITE Certificate (3-Year Higher Nitec)** and/or **2-Year National ITE Certificate (Nitec)** courses conducted by the Institute of Technical Education (ITE). GCE ‘N’ (Technical) / GCE ‘N’ (Academic) / GCE ‘O’ Level holders can choose to take up a course under **Full-Time Education or Traineeship**.

Joint Intake Exercise ‘E’ (JIE ‘E’) for 3-Year Nitec Courses with Enhanced Nitec Foundation Programme

The **3-Year Nitec Courses with Enhanced Nitec Foundation Programme** is conducted to help GCE ‘N’ (Technical) students with 0 or 1 GCE ‘N’ (Technical) Level pass build the necessary literacy and numeracy foundations that will enable them to successfully complete their *Nitec* course. Students who opt for the 3-Year *Nitec* Courses with Enhanced *Nitec* Foundation Programme will spend a total of three years at ITE for their *Nitec* course. They will undergo two years of foundation training before progressing on to Career Core curriculum in the third year.

Eligible GCE ‘N’ (Technical) Level holders may apply for courses under both the JIE ‘N’ and JIE ‘E’ intake exercises. However, you can only receive one offer from either intake exercises.

Joint Intake Exercise ‘H’ (JIE ‘H’) for 2-Year Higher Nitec with 10 Weeks Preparatory Courses under Direct Entry Scheme to Polytechnic Programme (DPP)

The **January 2023 Joint Intake Exercise ‘H’ (JIE ‘H’)** is conducted to enable GCE ‘N’ (Academic) Level holders with the relevant pre-requisites to apply for 2-Year Higher National ITE Certificate (2-Year *Higher Nitec*) courses conducted by ITE under the Direct Entry Scheme to Polytechnic Programme (DPP). Successful applicants are required to attend a 10-week preparatory course followed by 2 years of *Higher Nitec* training. Upon completion of the *Higher Nitec* training, **graduates will be assured of a place in a related Polytechnic Diploma course if they meet the qualifying criteria for progression.**

Eligible GCE ‘N’ (Academic) Level holders may apply for courses under the JIE ‘H’ and JIE ‘N’. However, if you are offered a course under the JIE ‘H’, you will not be offered a course under the JIE ‘N’.

Notes

1. You will receive a Form N and this ITE Admission Booklet through your school on the day when the 2022 GCE ‘N’ Level examination results are released. The Form N is printed for you if you have sat for the 2022 GCE ‘N’ Level examination as a school candidate. The full-time ITE courses you are eligible to apply based on your GCE ‘N’ Level results are indicated on the Form N. Offer of a course is based on merit and vacancy available.
2. To apply for a full-time 3-year *Higher Nitec* or *Nitec* course under JIE ‘N’/JIE ‘E’, please follow the instructions from page 42.
3. To apply for a full-time 2-year *Higher Nitec* course under JIE ‘H’, please follow the instructions from page 92.
4. To apply for a Traineeship course, please follow the instructions from page 126.

IMPORTANT

Please keep this booklet after you have submitted your application for ITE courses and note the following:

- a) National Service (NS) liable males who wish to pursue full-time ITE courses in year 2023 will have to check their eligibility for NS Deferment. For latest updates on NS deferment eligibility and policy, please visit <https://for.edu.sg/ns-deferment>. Students who are not eligible for NS deferment will need to withdraw from the course that they are enrolled.
- b) If you have applied for 3-year *Higher Nitec* or *Nitec* courses with interview and are shortlisted for interview, the interview date is scheduled on **Tue 27 Dec 2022** and **Wed 28 Dec 2022**. The interviews will be conducted **on-campus**. You are to check on **Fri 23 Dec 2022 (from 2pm)** to see if you are shortlisted for an admission interview and if so, to take note of your interview details.
- c) If you are posted to a full-time course under JIE ‘N’ / JIE ‘E’, please follow the instructions from page 55 to accept the offer. If you are posted to a full-time course under DPP (JIE ‘H’), please follow the instructions from page 98 to accept the offer.
- d) If you are not posted to a full-time course or wish to change your posted course or College, please follow the instructions as given to submit your appeal.

FULL-TIME 3-YEAR HIGHER NITEC / 2-YEAR NITEC COURSES AND ENTRY REQUIREMENTS FOR JIE ‘N’

Starting with selected courses in Academic Year 2022, ITE offers a new curricular structure that allows students to directly graduate with a *Higher Nitec* qualification after three years of training, instead of four years. The 3-year *Higher Nitec* courses are open to students with GCE ‘N’ Level and GCE ‘O’ Level qualifications.

Under JIE ‘N’, applicants may choose up to a maximum of 12 choices, which can include 3-year *Higher Nitec* courses together with 2-year *Nitec* courses in the same application. Each choice will comprise the course and College, e.g. *Nitec* in Retail Services course conducted at ITE College East and *Nitec* in Retail Services course conducted at ITE College West are taken as 2 choices. *Higher Nitec* in Accounting (3 years) course conducted at ITE College Central and *Nitec* in Business Services course conducted at ITE College Central are also taken as 2 choices.

The “2022 JIE ‘N’ ITE Aggregate Point” in the table below shows the ITE aggregate score of the lowest ranked students who were admitted to these courses through the 2022 JIE ‘N’, based on **best 4 GCE ‘N’ subjects including pre-requisites and bonus points**. These aggregate scores are meant as a reference for applicants applying to these courses and do not constitute the admission points for subsequent admission exercises. For details on the computation of ITE aggregate points for JIE ‘N’, please refer to page 17.

ITE COLLEGES:

CC-AM: ITE College Central
at Ang Mo Kio Drive

CE-SM: ITE College East
at Simei Avenue

CW-CK: ITE College West
at Choa Chu Kang Grove

For general course advising, applicants may make an appointment online with one of our Education & Career Guidance (ECG) Counsellors via <https://for.edu.sg/ecg>.

The offer of an ITE course to applicants is subject to them being physically, medically and mentally fit to pursue the course. This is to ensure that all students can benefit from ITE training in a safe and conducive environment. Applicants or students assessed by ITE as being unfit can be withdrawn from the course. Where appropriate, they may be considered for other courses if there are suitable ones. The Learning Accessibility Office (LAO) at each ITE College will provide support to students with special educational needs in their learning process at ITE. Applicants with special educational needs are strongly encouraged to seek prior academic course advising from the respective College(s) via <https://for.edu.sg/LAO> before selecting their choice of application.

Notes:

- ① Applicants who are applying for the following courses: **Aerospace Avionics; Aerospace Machining Technology; Aerospace Technology; Architectural Technology; Asian Culinary Arts; Beauty & Wellness; Community Care & Social Services; Digital Animation; Fashion Apparel Production & Design; Floristry; Hair Fashion & Design; Interior & Exhibition Design; Nursing; Opticianry; Pastry & Baking; Product Design; Rapid Transit Technology; Sport Management; Travel & Tourism Services; Video Production; Visual Communication; and Western Culinary Arts** that are offered under Aptitude-Based Admissions are strongly encouraged to seek course counselling at the Colleges offering these courses during the application period so as to understand the course requirements. Applicants must first meet the ITE aggregate point for these courses to be shortlisted. Shortlisted applicants will be required to attend **one interview** (see page 53) to assess their suitability for the course. Shortlisted applicants who are not successful at course interview will be considered for their **remaining choices without interview** based on merit and choice. Priority in selection will be given to **first-choice applicants** based on their results for these courses. **Applicants applying for these courses are advised to indicate them as their first choice.** For all other courses, selection will be by merit and choice based on the results of applicants. **Applicants who are keen in courses with interview are encouraged to apply for a mix of courses with interview and courses without interview in their choices to maximise their chance of posting.**
- ② In line with industry requirements, applicants for the following courses must ensure that they do not have colour appreciation deficiency: **Aerospace Avionics; Aerospace Technology; Applied Food Science; Architectural Technology; Automotive Technology; Built Environment; Chemical Process Technology; Digital Animation; Electrical Technology; Electronics Engineering; Fashion Apparel Production & Design; Interior & Exhibition Design; Mechatronics & Robotics; Product Design; Rapid Transit Technology; Security System Integration; Urban Greenery & Landscape; Video Production; and Visual Communication.** Colour vision test will be conducted for applicants enrolled into these courses. Colour Vision Test is available over the Internet at <https://colormax.org/color-blind-test/> and at the ITE Colleges conducting these courses. Please take the test before submitting your application if you are not sure whether you are free from colour appreciation deficiency.
- ③ Due to the special requirements of the healthcare profession and in the delivery of direct patient care, all applicants have to pass a pre-admission medical examination and be free from physical and mental handicap to ensure suitability. Whilst not comprehensive, the following medical conditions will lead to non-acceptance into the course:
- | | |
|--|---|
| <ul style="list-style-type: none">• Epilepsy• Legal Blindness• Active Tuberculosis• Profound Deafness• Psychiatric Condition | <ul style="list-style-type: none">• Uncontrolled Diabetes• Uncontrolled Hypertension• Uncontrolled Asthma• Mobility Restricted (Hindering Performance)• Physical Dependence upon Mobility Equipment |
|--|---|
- ④ As an eyecare practitioner is required to provide care, consultation and management of a client's vision, through eye tests and effective communication, applicants need to have good interpersonal skills, good psychomotor ability and be free from specific impairments. Whilst not comprehensive, the following medical conditions will lead to non-acceptance into the course:
- Profound Deafness or Vision Impairment
 - Psychiatric Condition
 - Physical Dependence upon Mobility Equipment
 - Impairments that affect Mental-Cognitive ability (including interpersonal-communication ability and behavioural stability) to: (a) provide safe care to clients (b) demonstrate emotional-behavioural stability to function under the stress and pressure when providing opticianry care.
- ⑤ All prospective healthcare students must be fully vaccinated against COVID-19 with a vaccine regime recognised in Singapore. Those who are Medically-Ineligible will be subjected to prevailing MOH and healthcare institutions' policies. Those who are Medically-Eligible but wish to remain unvaccinated may not be able to access the healthcare and community care settings to complete their clinical posting and meet the clinical training requirement necessary for graduation or their course completion may be delayed due to restrictions on clinical training.

Due to the job-specific requirements of the healthcare profession in the delivery of direct patient care, all applicants have to pass a pre-admission medical examination and fulfil 'Fitness to Practice Advisory' for nursing student stipulated by the Singapore Nursing Board:

FITNESS TO PRACTICE ADVISORY FOR NURSING STUDENTS

As the delivery of direct patient care is a requisite of healthcare professions, all applicants must pass a medical examination and be certified to have the following abilities to perform patient care activities in a safe and effective manner:

- 1) **Mental-Cognitive ability** (*interpersonal-communication ability and behavioural stability*) to:
 - (a) provide safe care to populations, including safety to self
 - (b) demonstrate emotional-behavioural stability to function under the stress and pressure when performing nursing care on patients
 - (c) being observed by instructors and other health care personnel during clinical practice attachments.
- 2) **Physical ability** to:
 - (a) move around in the clinical environment, walk/stand, bend, reach, lift climb, push and pull, carry objects
 - (b) perform patient transfers and complex sequences of hand-eye coordination.
- 3) **Auditory ability** to:
 - (a) hear faint body sounds
 - (b) auditory alarms
 - (c) normal speaking level sounds (*i.e. blood pressure sounds, monitors, call bells and person-to-person report*).
- 4) **Visual ability** to:
 - (a) detect changes in physical appearance, colour and contour
 - (b) read medication/ drug labels, syringes, manometers, written and electronic communication accurately.

The above required abilities are stipulated in consultation with Singapore Nursing Board to ensure nursing students are fit to practise when they apply for enrolment upon graduation from the nursing programme.

Interested applicants with known condition(s) or unsure if their condition(s) may affect their ability to deliver safe and effective patient care are highly encouraged to contact ITE College East at college_east@ite.edu.sg for more information.

- ⑥ Successful students will be required to purchase Training Materials (which will cost about \$800 for Fashion Apparel Production & Design, \$400 for Beauty & Wellness, \$300 for Asian Culinary Arts and \$300 for Western Culinary Arts) for the 2-year courses. This is in addition to the course fees. Financial assistance is available to eligible students subject to terms and conditions. Students can keep their materials at the end of the course.
- ⑦ **For all courses:**
 - (I) The 3-year *Higher Nitec* courses comprise 3 months of Industry Attachment in Year 2 and 6 months of Industry Attachment in Year 3. The 2-year *Nitec* courses comprise 3 or 6 months of Industry Attachment, except for Nursing which comprises 9 months of on-the-job clinical training.
 - (II) As all ITE courses will incorporate online learning as part of lesson delivery, students are advised to have access to a PC/Laptop for their learning. Financial assistance is available to eligible students under ITE Opportunity Fund to purchase PC/Laptop subject to terms and conditions. For details, turn to page 118.

POSTING OF APPLICANTS UNDER JIE ‘N’

Different categories of 3-year *Higher Nitec* and 2-year *Nitec* courses under JIE ‘N’ come with different entry requirements ranging from completed GCE ‘N’ Level to 3 GCE ‘N’ Level passes. GCE ‘N’ Level holders applying for admission to full-time 3-year *Higher Nitec* and 2-year *Nitec* courses must first satisfy the entry requirements including passes in the pre-requisite subjects for the courses applied. Admission is merit-based, and posting to a course is based on **aggregate of best 4 GCE ‘N’ Level subjects, including pre-requisite subjects and bonus points** where applicable and is subjected to availability of vacancies. A lower aggregate point is indicative of better performance. Selected courses will require applicants to attend interview/aptitude test.

Normal (Technical) Subjects

The computation of ITE aggregate points for Normal (Technical) subject grades for merit-based ranking for admission to full-time 3-year *Higher Nitec* and 2-year *Nitec* courses, is shown in the table below:

FULL-TIME 3-YEAR NITEC COURSES WITH ENHANCED NITEC FOUNDATION PROGRAMME AND ENTRY REQUIREMENTS FOR JIE 'E' INTAKE

ITE had introduced the **3-Year Nitec Courses with Enhanced Nitec Foundation Programme** for Singaporean/Singapore Permanent Resident Normal (Technical) holders with '0' or '1' GCE 'N' Level pass. Students who opt for the 3-Year Nitec courses with Enhanced Nitec Foundation Programme will undergo **two years of Enhanced Nitec Foundation Programme** before progressing to the Career Core curriculum in the third year. In addition to the hands-on training, the 3-Year Nitec courses with Enhanced Nitec Foundation Programme will strengthen students' literacy and numeracy skills and improve their self-confidence and motivation. This will prepare them not only for their final Career Core year, but also for lifelong learning and success.

Eligible GCE 'N' (Technical) students will receive a Form N with the list of 3-Year Nitec courses they are eligible to apply for.

Applicants may choose up to a maximum of 4 choices. Each choice will comprise the course at ITE College Central or ITE College West, e.g. *Nitec* in Retail Services course conducted at ITE College Central and *Nitec* in Retail Services course conducted at ITE College West are taken as 2 choices.

Higher Nitec in Accounting (3 years)

Understand a business through numbers.

To cater to industry demand, the new 3-year curriculum structure comprises the specialised and deepened skills sets built upon broad-based foundation skills in the accounting sector. You will learn to prepare final accounts and cost accounts for various entities. You will be equipped with the skills to perform various accounting tasks to support the accounting department for work in the commercial, industrial or public sectors. You will also learn to use accounting software and apply accounting concepts to different business scenarios. Applicants for the course should preferably have a keen sense for numbers and accuracy and organisational skills.

Higher Nitec in Accounting graduates are employed by government agencies, statutory boards and private sector companies. Some job titles held are Accounts Assistant, Accounts Associate and Finance Assistant. Graduates can advance in their careers (e.g. Accounts Executive, Senior Accounts Executive) once relevant experience and higher-level accounting skills are acquired.

Higher Nitec in AI Applications (3 years)

NEW

Build your foundation, be part of the future workforce.

“We are now entering the age of AI, a time when machines are using algorithms that give them superhuman abilities.”

Naveen G. Rao, VP & General Manager,
AI Products Group, Intel

If you are keen to be part of this exciting AI-enabled future, this is the course for you.

We work closely with leading AI technology companies, and our AI Labs are equipped with the latest industry AI technologies. You will have a chance to be skilled with AI-enabled drones, service robots, and even scaled-down self-driving cars. There will be opportunities to participate in joint AI projects with China, India, South Korea and United States.

Graduates from *Higher Nitec* in AI Applications can expect to start a career in the government and private sectors that leverage AI for businesses and operations. Some job titles may include Associate AI Engineer, Specialist, and Technician.

Higher Nitec in Business Information Systems (3 years)

Do you aspire to bloom and boom in business operations and infocomm technology?

To cater to industry demand, the new 3-year curriculum structure comprises the specialised and deepened skills sets built upon broad-based foundation skills sets for the Infocomm Technology (ICT) sector. You will have the opportunity to experience the best of both worlds and excel at them. You will learn the IT skillsets and competencies to support business information systems in end-user computing devices, network, server and application in a hybrid infrastructure environment. You also learn to assist in the support of database management system and enterprise solution to ensure smooth operations of all Infocomm hardware and software in the organisation.

Higher Nitec in Business Information Systems graduates may be employed by government departments, private sector companies and independent software vendors. Some of the job titles held by graduates include Business Information Systems Specialist, IT Technical Support Specialist, Web Developer, Associate System Administrator, Desktop Support Engineer and ERP Support Engineer.

Higher Nitec in Cyber & Network Security (3 years)

Are you game enough to be a cyber defender in securing our network servers and devices against online threats?

To cater to industry demand, the curriculum structure encompasses the specialised skills sets built upon broad-based foundation skills sets for the Infocomm Technology (ICT) sector. Join this course and be a champion for security to enhance cybersecurity defence for businesses. You will learn to support cyber security operations in end-user devices, network, and server in an enterprise IT / cloud environment for cyber security services. You will also learn to analyse security-related events and escalate incidents for validation and remediation.

Higher Nitec in Cyber & Network Security graduates are employed in public and private sector organisations to administer networks and operating systems, monitor the network for security events, assist to manage virtualization infrastructure and perform cyber security operations. Some of the job titles held by graduates include Cyber Security Associate, Technical Support Associate, IT Security Specialist, Network Security Specialist, Systems and Security Administrator.

Higher Nitec in Data Engineering (3 years)

NEW

Build your foundations and uncover your hidden potentials through data!

Indeed, data is the new language that is critical for every business in this digital age. In this age of big data and AI, almost all businesses are being impacted by this new digitalisation wave. Through harvesting and harnessing data, companies can make informed decisions based on data analytics.

This course will provide students with digital skills and knowledge in data extraction, transformation, and loading functions to derive actionable and meaningful insights for improving business operations, thereby supporting data-driven industries.

Graduates from *Higher Nitec* in Data Engineering can expect to embark on a career in government and private sectors that leverage data for businesses and operations. Some of the job titles may include Associate Data Engineer, Associate Data Analyst, Data Technician, and Data Wranglers.

Higher Nitec in Electronics Engineering (3 years)

The key to the future of a smart nation is leveraging the fundamentals of Microelectronics, IoT, AI, Automation, smart devices and systems.

To cater to industry demand, the new 3-year curriculum structure comprises the specialised and deepened skills sets built upon broad-based foundation skills sets for the electronics sector. Be immersed in the innovation and evolution of microchips, smart devices and systems (autonomous robotic systems, smartphones, wearables, home appliances, microelectronics, smart audio visual systems, sound and video recording, and others). Gain strong foundations and essential skills in electronics and a good head start in your careers in numerous sectors:

- AI & Automation
- Audio Visual Systems
- IoT and Communications
- Microelectronics

Higher Nitec in Electronics Engineering sets your career in an industry with boundless opportunities in autonomous robotic systems, AI-Powered autonomous systems, audio visual systems, consumer electronics, Internet of Things (IoT), smart nation and communication systems, Microelectronic manufacturing and semiconductor industries.

With strong industrial partnerships, our students are provided with a wide array of internship opportunities and projects collaboration. Our student-centric and authentic learning approaches produce highly skilled, versatile and professional graduates, who are sought after by the industry.

Career opportunities include Engineering Assistant, Technical Specialist, Junior Autonomous Vehicle Engineer, Quality Technical Support, Manufacturing Assistant Engineer, Process Assistant Engineer, IoT Assistant Engineer, Audio Visual Specialist, Communication Equipment Assistant Engineer, Junior Robotics Engineer, Assistant Sales Engineer, Assistant Field Customer Engineer and Computer Services Assistant Engineer.

Higher Nitec in Immersive Applications & Game (3 years)

Be empowered to create in the world of digital immersion.

NEW

From ideation, conceptualisation to development, see your creations come to life in the digital world. Tap into your imagination and creativity as you learn to design and develop immersive and game applications to cater to various industries, including retail, education, healthcare, real estate, media and entertainment. This course also provides you with a foundation in gamification techniques and programming skills for building multi-platform immersive experiences.

Career opportunities include UI/UX Designer, Game Interface Designer, Junior Programmer (Game Technical Development), Interactive Content Developer or Tester. You can look forward to careers in both the ICT and Media sectors.

Higher Nitec in IT Applications Development (3 years)

Develop pocket-sized solutions for the digital economy!

To cater to industry demand, the new 3-year curriculum structure comprises the specialised and deepened skills sets built upon broad-based foundation skills sets for the Infocomm Technology (ICT) sector. In this course, you will develop highly sought-after skills and capabilities to design, develop, deploy and maintain Web and Mobile applications.

Higher Nitec in IT Applications Development graduates may be employed in various public and private sector organisations as Application Specialist, Application Developer, Application Programmer, Software Developer, Interactive Developer, UI/UX Designer and UI/UX Developer.

Higher Nitec in IT Systems & Networks (3 years)

Are you enthusiastic about how computer systems communicate with other computers and peripherals in a networked environment? Do you want to know how to manage server operating system and implement secured wireless and wired networking environment?

To cater to industry demand, the new 3-year curriculum structure comprises the specialised and deepened skills sets built upon broad-based foundation skills sets for the Infocomm Technology (ICT) sector. You will learn how to set up, maintain and troubleshoot end-user computing devices, network, server and application in a hybrid infrastructure environment. You will also implement wireless LAN and network security, as well as assist in the support of IT project development to ensure smooth operations of Infocomm hardware and software in the organisation.

Higher Nitec in IT Systems & Networks graduates can be employed by Information Technology (IT) users and supplier organisations. The IT users are public or private organisations using computer systems (networked or stand-alone) in their business operations. The IT suppliers are companies providing computer hardware / software and IT services. Some of the job titles held by graduates include IT Specialist, IT Technician, Network Support Specialist, IT Technical Support Specialist, Associate System Administrator, Desktop Support Engineer and Network Traffic Engineer.

Higher Nitec in Security System Integration (3 years)

Protect our families and assets that matter, join us and play a part in keeping our city safe.

To cater to industry demand, the new 3-year curriculum structure comprises the specialised and deepened skills sets built upon broad-based foundation skills sets for the electronics sector. Apply for this course to embrace an exciting career in the fast-growing field of security technology covering video analytics, biometrics, intrusion and access control systems. You will learn how to implement and manage the installation, integration, commissioning and servicing of security systems.

Higher Nitec in Security System Integration graduates are employed by systems integrators, security solution providers and end users of security systems including government agencies. Some of the job titles held by graduates include Technical Specialist, Security Systems Specialist and Senior Technician. There are excellent career advancement opportunities for Project Managers, Sales and Marketing Managers, and Systems Designers.

Higher Nitec in Sport Management (3 years)

Do you want to clinch that dream job in the vibrant sporting industry?

The role that sports has in our society is pivotal. To cater to industry demand, the new 3-year curriculum structure comprises specialised and deepened skills sets built upon broad-based foundation skills of the sports and fitness sector. Upon the successful completion of the course, you will be able to find suitable employment in the fitness and sports industry. You will acquire the practical skills to help you in sports events and marketing and motivating clients to reach their fitness and sports goals.

In addition, the Sports Science and Sports Coaching concepts covered in this course will also provide you the viable opportunity to become a successful fitness instructor or sports coach in public or commercial domains across the fitness and sports industry. Applicants for the course should preferably have a strong background and passion for sports and be physically fit and active.

Higher Nitec in Sport Management graduates are employed in public or commercial domains. Some job titles held are Sports & Fitness Executive, Recreational Assistant, Fitness Assistant, and Sports Event Coordinators. Career advancement prospect will improve when graduates acquire experience and upgrade their skills and knowledge with higher-level courses.

Nitec in Aerospace Avionics

See the world from above! Train on modern instrumentation, electrical, and avionics systems that are applicable to both manned and unmanned aircraft.

In this course, you will learn to maintain and repair modern avionics systems onboard various aircraft types housed in our very own aircraft hangar. With our latest training on Unmanned Aircraft (UA), more commonly known as “drones”, students will have a deeper understanding of piloting one. You will be equipped with high-tech skills to maintain and operate both manned and unmanned aircraft.

Our graduates are employed by aerospace companies, which maintain and repair aircraft instrumentation, communication, navigation and electrical systems. The job titles held by graduates include Aircraft Technician (Avionics), Aircraft Maintenance Technician and Unmanned Aircraft Operator.

Nitec in Aerospace Machining Technology

Do you know that an aeroplane is made up of many precise components of different materials and shapes?

Aerospace is a rapidly developing field with many new discoveries each year. Join this course now and you will learn to manufacture components, using the state-of-the-art machines and software to monitor precision machine operations, as well as perform quality checks.

Nitec in Aerospace Machining Technology graduates are highly valued and sought after. Graduates can look forward to a rewarding career in areas such as aerospace manufacturing, oil & gas, precision machining, biomedical manufacturing and precision tooling and machine systems. Furthermore, students will embark on industrial attachments to engineering companies to give them the valuable industry experience while diversifying their career options.

The job titles held by graduates include Manufacturing Specialist, Aerospace Machining Specialist and Precision Specialist.

Nitec in Aerospace Technology

Millions of people across the world fly every day. They put their lives in the hands of the skilled technicians who keep the aircraft airworthy.

Join this course and equip yourself with the technical knowledge and skills on how to maintain and repair aircraft aero-structures and engine systems in the growing aerospace industry.

Nitec in Aerospace Technology graduates are employed by aerospace companies providing airframe maintenance, engine maintenance and structural system repair. Some of the job titles held by graduates include Aircraft Maintenance Technician, Aircraft Engine Technician, Aircraft Structural Repair Technician, Aircraft Sheet Metal Technician and Aircraft Technician (Airframe and Engine).

This is a Singapore Airworthiness Requirements Part-147 (SAR-147) course currently approved by Civil Aviation Authority of Singapore (CAAS).

Nitec in Applied Food Science

Have you wondered how new food is created, tested, manufactured, packed and finally served on your plate?

Well, you can discover and experience the answer in this course! You will learn how new food is developed, analysed, processed, packaged and served, while adhering to strict regulatory requirements in the food industry.

Nitec in Applied Food Science graduates are employed by companies in food manufacturing and food and beverage (F&B) sectors where they could contribute significantly in ensuring resilient, safe and quality food supply for consumers. Some of the job titles held by graduates include Food Technician, Food Production Technician and Food Processing Technician.

Nitec in Architectural Technology

Have you ever wondered how the style and spaces of buildings that we live in, work or play, were designed?

The *Nitec* in Architectural Technology course provides the understanding of how building spaces could shape the way we work, live and play. You will learn to perform a crucial role of ensuring building plans, working drawings, and specialist drawings are produced to meet the needs of the users such as clients, contractors, authorities, consultants, and building occupants, at the different stages of architectural design project.

INSTRUCTIONS ON ACCEPTANCE OF OFFER AND FEE PAYMENT (FOR JIE 'N' & JIE 'E' INTAKE EXERCISES)

There are **2 stages** under acceptance of course offer:

Stage 1: Check Your Application Results and Accept Course Offer – this is for applicants to check and accept or reject a course offer

Stage 2: Bursary/Financial Assistance Application / Photo Upload / Submit Post-Secondary Education Account (PSEA) Standing Order (SO) form – upon course acceptance, applicants who are eligible for financial assistance may submit their application online. All applicants are required to upload passport size colour photo for the application of ITE Student Concession Card. Singapore Citizens who are using PSEA for fee payment may submit online PSEA SO form.

Details of the 2 stages are provided below.

Stage 1 – Check Your Application Results and Accept Course Offer

The application results will be released on Fri 30 Dec 2022 at 9am. You are required to check your application results. If you are offered a full-time course, you must accept it through the Internet **between Fri 30 Dec 2022 and Wed 4 Jan 2023**. You are to follow the instructions on registration and payment details upon the acceptance of offer. Otherwise, your training place will be withdrawn and offered to other applicant.

Note: **Applicants who are not successful in getting a place in any of their registered choices of course, may be manually posted to another suitable course with vacancies subject to applicants meeting the course's minimum entry requirements.**

If you encounter difficulties accepting the offer over the Internet, please call or email to any of the Customer & Visitor Centre of ITE Colleges listed on page 137 for assistance within the acceptance period.

- **Microsoft Edge and Google Chrome** are recommended. Mobile devices are not recommended.
- The Internet address for the checking of application results and acceptance of course offer website: <https://istudent.ite.edu.sg>

Screenshots for Steps 1 to 17 of Checking Application Results, Acceptance of Course Offer and Bursary/Financial Assistance Application / Photo Upload / Submit PSEA SO Form (for JIE 'N' & JIE 'E' Intake Exercises)

Stage 1 – Check Your Application Results and Accept Course Offer

Step 1: Enter your User ID and Password. Click ‘Sign In’.

The screenshot shows the Nitec Student login interface. At the top is the 'Student' logo. Below it are two input fields: 'User ID' and 'Password(case-sensitive)'. Underneath these is a 'Sign In' button. To the right of the password field is a link 'Forgot Password? (For New Applicant)'. Below the sign-in area is a section titled 'Important Notes:' with two bullet points: '1. For existing students, please use the Portal login.' and '2. The account will be locked after multiple unsuccessful login attempts.' At the bottom of the page are links for '© 2016 Institute of Technical Education, Singapore', 'Privacy Terms of Use', and a navigation bar with icons for Home, Search, My Profile, and Logout.

Step 2: Click on ‘Self-Service’, followed by ‘Student Admission’, then ‘View Application Results’ and ‘Proceed to Accept Offer’.

The screenshot shows the 'View Admission Application Results' page. At the top is a header with a progress bar showing steps 1 through 4. Below the header is a note about printing. A table displays application details: Intake Type (JIEEN), Term (2023 January), Course (HNitec Sport Mgt 3yrs), Choice (1), College (ITE College Central), Application Nbr (00718149), Application Date (19/12/2022), and Application Status (Successful). Below the table are two buttons: 'PROCEED TO ACCEPT OFFER AND CONTINUE' and 'DECLINE OFFER'. A note below the buttons states: 'Your application for the HNitec Sport Mgt 3yrs course at ITE College Central is SUCCESSFUL. You are required to click on the button above to proceed to accept or decline the course offer.' A note below that says: 'If you do not accept the offer by 04/01/2023, you are deemed to have withdrawn from your training place and the training place will be offered to other eligible applicants appealing for a place in the course. Please note that you can only accept ONE course for the intake and course fees will be charged upon your acceptance of course offer.' A section titled 'IMPORTANT INSTRUCTIONS' provides a list of steps: Step 1 - View your application results, click 'PROCEED TO ACCEPT OFFER'; Step 2 - Fill in your particulars; Step 3 - Provide your parent(s) / guardian information; Step 4 - Declare your health conditions and other records. A note at the bottom states: 'Note: Successful applicants for the Nitec in Asian Culinary Arts, Nitec in Beauty & Wellness, Higher Nitec in Beauty & Wellness Management, Nitec in Community Care & Social Services, Higher Nitec in Early Childhood Education, Nitec in Hospitality Operations, Nitec in Nursing, Nitec in Pastry & Baking, Higher Nitec in Paramedic & Emergency Care, Higher Nitec in Sport Management and Nitec in Western Culinary Arts courses have to pass a prescribed medical examination. If you are posted to any of these courses, you can download the medical form HERE and do the medical examination at any of the listed Sata or Healthway Medical Group clinics. Alternatively, you may do the medical examination at any other clinics of your choice. Successful applicants for Higher Nitec in Culinary Arts and Higher Nitec in Pastry & Baking may have to pass a pre-admission medical examination as advised by ITE College West. For more information, please contact ITE College West.'

The 1st term fees payable is indicated on page 112. For your convenience, you may pay your 1st term fees via a number of payment modes which is explained on page 111. **If you do not pay your fees by Mon 9 Jan 2023, you will be deemed to have withdrawn your training place and the place will be offered to other eligible applicants appealing for a place in the course.**

For successful *Higher Nitec* in Sport Management (3 years), *Nitec* in Asian Culinary Arts, *Nitec* in Beauty & Wellness, *Nitec* in Community Care & Social Services, *Nitec* in Hospitality Operations, *Nitec* in Nursing, *Nitec* in Pastry & Baking and *Nitec* in Western Culinary Arts applicants who have passed the medical examination, you are required to submit your medical report when you report at your College.

You are to report to your posted College on **Mon 9 Jan 2023 at the time as indicated in your enrolment letter**, in white top and black bottom to commence training. Please bring your NRIC on that day.

For International Students

You are required to apply for a Student Pass via SOLAR+ by **Mon 9 Jan 2023**. A separate letter will be sent via email to inform you of the details. **Your admission to the course is subject to clearance by the Immigration & Checkpoints Authority (ICA) for the issuance of a Student Pass to study in ITE.**

Upon obtaining your Student Pass, you are to pay your 1st term fees and register for the course at the Customer & Visitor Centre of your posted College. You are also required to submit the completed Application Form for InterBank GIRO (attached at the end of this booklet) for payment of subsequent term (i.e. from Jul 2023 term) fees and medical report (if you are posted to a course that requires medical examination). The payment modes are explained on page 111 and the 1st term fees payable are indicated on page 112. You are allowed to commence your training only after you have obtained the Enrolment Letter from the Customer & Visitor Centre of your posted College, paid your 1st term fees and submitted the completed Application Form for InterBank GIRO.

If you do not report to the College to commence training by **Mon 13 Feb 2023**, your training place will be withdrawn and offered to other eligible applicant appealing for a place in the course.

The courses for January 2023 term will start on **Mon 9 Jan 2023**.

Change of Citizenship

Fees are charged based on Citizenship at the point of term commencement. Students who have officially informed ITE of their Citizenship change to Singapore Citizen or Singapore Permanent Resident before the term commencement will have their fees adjusted to the Singapore Citizen / Singapore Permanent Resident rate for that term. However, for students who inform ITE officially of their Citizenship change to Singapore Citizen or Singapore Permanent Resident after the term commencement, their fees will be adjusted to the Singapore Citizen / Singapore Permanent Resident rate only with effect from the next term.

INSTRUCTIONS ON APPEAL FOR ADMISSION OR TRANSFER (FOR JIE 'N' & JIE 'E' INTAKE EXERCISES)

If you are offered a full-time course, you are advised to accept it through the Internet before appealing for a change of course or College. Otherwise, your place will be offered to those who are eligible and have appealed for the course. To appeal for transfer to another course, you should accept the course offered and submit another application via the Internet. If you require course advising, you may make an appointment online with one of our ECG Counsellors via <https://for.edu.sg/ecg>.

If you have applied and are **not offered a course**, you may submit an appeal for admission through the Internet for the courses you are eligible to appeal for. Alternatively, you may consider applying for a Traineeship course. For more details on Traineeship courses and application procedure, please go to pages 124 to 135.

You have to submit your appeal between **Fri 30 Dec 2022 and Wed 4 Jan 2023**. Please note that you must meet the minimum entry requirements for the course(s) before you can submit your appeal. While all eligible appeals will be given due consideration, meeting the minimum entry requirements does not guarantee you a place in the course, as admission is also subject to available vacancies in open competition.

If you encounter difficulties submitting your appeal for a full-time course over the Internet, please call or email to any of the Customer & Visitor Centre of ITE Colleges listed on page 137 for assistance within the application/appeal period.

Procedures for appeal are shown in the following flowchart:

Guide to Internet Appeal for JIE ‘N’ Full-Time 3-Year Higher Nitec / 2-Year Nitec Courses

Please follow the instructions below carefully:

- Microsoft Edge and Google Chrome are recommended. Mobile devices are not recommended.
- Go to <https://www.ite.edu.sg> and click on the ‘Apply for ITE Courses’ link to view the list of intake exercises.
- Click on ‘For GCE ‘N’ Applicants (JIE ‘N’)’ under ‘Full-Time 3-Year Higher Nitec / 2-Year Nitec Courses (Jan 2023 Intake)’.
- Click ‘Apply Now’ to link you to the application website.

Step 1

- Enter your NRIC / FIN and Date of Birth.
- Click ‘I WANT TO SUBMIT AN APPLICATION’.
(or you may also apply using Singpass)

Step 2

- Read instructions on the screen.
- You must pass the colour vision test if you wish to apply for: Aerospace Avionics; Aerospace Technology; Applied Food Science; Architectural Technology; Automotive Technology; Built Environment; Chemical Process Technology; Digital Animation; Electrical Technology; Electronics Engineering; Fashion Apparel Production & Design; Interior & Exhibition Design; Mechatronics & Robotics; Product Design; Rapid Transit Technology; Security System Integration; Urban Greenery & Landscape; Video Production; and Visual Communication courses. To find out if you are free from colour appreciation deficiency, go to <https://colormax.org/color-blind-test/> to do a self-check.
- Otherwise, click ‘NEXT’ to proceed.

Step 3

- **Enter your choices in order of preference.** Check through your choices.
- After that, click ‘SUBMIT’.

Step 4

- Click ‘YES – SUBMIT’ to confirm and submit your application.

Step 5

- You will see on the screen a verification slip with the choices you have made and your web ID and password. Click ‘PRINT’ at the bottom of the page to **print a copy of the verification slip for your reference**. You will need your web ID and password to view the result of your application.

You are allowed to make changes to your application only once over the Internet. Please follow the instructions in the verification slip for making changes to your application over the Internet. For subsequent changes to application, you have to call or email to any of the Customer & Visitor Centre of ITE Colleges listed on page 137 for assistance within the application/appeal period.

Result of Appeal

For applicants who appeal for courses with interview/test under Aptitude-Based Admissions, you are to check at <https://istudent.ite.edu.sg> on **Fri 6 Jan 2023 (from 9am)** if you are shortlisted for course interview/test on **Mon 9 Jan 2023**.

You must check the final result of your appeal at <https://istudent.ite.edu.sg> using the given web ID and password between Wed 11 Jan 2023 (9am) and Fri 13 Jan 2023 (any change in date will be communicated over the web). You need not call or write to ITE about your application before the results are released.

JOINT INTAKE EXERCISE ‘H’ (JIE ‘H’)

INFORMATION ON JOINT INTAKE EXERCISE ‘H’ (JIE ‘H’) FOR FULL-TIME 2-YEAR *HIGHER NITEC* WITH 10 WEEKS PREPARATORY COURSES UNDER DIRECT ENTRY SCHEME TO POLYTECHNIC PROGRAMME (DPP)

[FOR ELIGIBLE GCE ‘N’ (ACADEMIC) HOLDERS]

- Direct Entry Scheme to Polytechnic Programme (DPP)
- List of 2-Year *Higher Nitec* with 10 Weeks Preparatory Courses Offered under Jan 2023 JIE ‘H’
- Full-Time 2-Year *Higher Nitec* with 10 Weeks Preparatory Courses and Entry Requirements under DPP
- Posting of Applicants under DPP
- Course Synopsis and Career Prospects
- Instructions on Application
- Instructions on Acceptance of Offer and Fee Payment
- Instructions on Appeal

DIRECT ENTRY SCHEME TO POLYTECHNIC PROGRAMME (DPP)

For students who have performed well in the GCE ‘N’ (Academic) Level examination and would like to benefit from a more hands-on preparation at ITE, you may first enrol in a 2-year *Higher Nitec* course at ITE. You will subsequently be assured of a place in a related polytechnic course, provided you achieve the qualifying Grade Point Average (GPA) score in your 2-year *Higher Nitec* course.

The DPP caters only to Secondary 4 ‘N’ (Academic) students of the preceding cohort, i.e. only scores received by Secondary 4 ‘N’ (Academic) students at the GCE ‘N’ Level examinations in 2022 will be considered for application to the DPP 2023 intake.

Upon release of the GCE ‘N’ (Academic) Level results, Secondary 4 ‘N’ (Academic) students may apply for the Direct Entry Scheme to Polytechnic Programme (DPP) based on their GCE ‘N’ (Academic) Level final examination results and school-based ‘O’-Level preliminary examination results (if applicable). Students can also combine their GCE ‘N’ (Academic) Level results and school-based ‘O’ Level preliminary examination results to apply for the DPP. Successful applicants will enrol in ITE in January 2023 for a 10-week preparatory course, before joining the 2-year *Higher Nitec* course in April 2023. In order to be assured of a place in the polytechnics, students must meet the qualifying 2-year *Higher Nitec* GPA shown in the Table below.

Qualifying 2-Year *Higher Nitec* GPA for Progression to Polytechnics under DPP

Courses	Progress to first-year in relevant Polytechnic Diploma course*	Progress to second-year in relevant Polytechnic Diploma course*
Applied Sciences 2-year <i>Higher Nitec</i> Courses[#]	ITE raw GPA \geq 2.5 points (excluding CCA bonus points [^])	N.A.
Engineering or Info- Communications Technology 2-year <i>Higher Nitec</i> Courses[#]	ITE raw GPA \geq 2.5 points (excluding CCA bonus points [^])	ITE raw GPA \geq 3.5 points (excluding CCA bonus points [^])
Business & Services 2-year <i>Higher Nitec</i> Courses	ITE raw GPA \geq 3.0 points (excluding CCA bonus points [^])	N.A.

[#] For 2-year *Higher Nitec* courses in Applied Sciences, Engineering or Info-Communications Technology, in addition to meeting the qualifying GPAs, students are required to take up and pass a Mathematics elective at ITE to be eligible for articulation into polytechnic courses under DPP. GCE ‘N’ (Academic) holders with at least a grade C in GCE ‘O’ Level Mathematics will be exempted from this requirement.

[^] CCA grades will be used for computing the students’ net GPA at ITE for selection and posting to a Polytechnic Diploma course.

* DPP students who successfully complete the 2-year *Higher Nitec* courses and attain the required minimum qualifying 2-year *Higher Nitec* Grade Point Average (GPA) scores are guaranteed a place in the 1st Year relevant polytechnic diploma courses that are mapped to their 2-year *Higher Nitec* courses. Students who meet the minimum qualifying GPA for 2nd Year entry are not guaranteed admission into Year 2 of one of the mapped courses. Admission is based on merit, subject to vacancies in the courses.

GCE ‘N’ (Academic) Level holders who have been offered a place under DPP and accepted the course offer will not be provided a place in Secondary 5 Normal (Academic) studies.

Mapping of 2-Year Higher Nitec Courses to Polytechnic Diploma Courses
(for Students Admitted to the Direct Entry Scheme to Polytechnic Programme in AY2023)

Students admitted to 2-year *Higher Nitec* DPP courses in AY2023 are guaranteed a place in one of the polytechnic diploma courses¹ mapped to their 2-year *Higher Nitec* course shown below, provided they meet the following minimum qualifying GPA scores upon the completion of their 2-year *Higher Nitec* course:

- All courses listed are accurate as of October 2022. New courses may be added later. Students should check <https://www.ite.edu.sg> for updates to the list of mapped courses.
- In addition to meeting the minimum qualifying GPAs, students in 2-year *Higher Nitec DPP* courses in **Applied Sciences, Engineering and Info-Communications Technology**, are required to take and pass a Mathematics elective at ITE to be eligible for progression into polytechnic Diploma courses under the DPP. Students with at least Grade C in GCE O-Level Mathematics will be exempted from this requirement.
- Refers to ITE GPA score excluding CCA bonus points. CCA bonus points will only be used in the computation of GPA scores used for posting to a polytechnic Diploma course.
- Students who meet the minimum qualifying GPA for Year 1 entry are guaranteed a place in one of the mapped courses. Admission to a specific course is based on merit, subject to vacancies in the courses.
- Students who meet the minimum qualifying GPA for Year 2 entry are not guaranteed admission into Year 2 of one of the mapped courses. Admission is based on merit, subject to vacancies in the courses.

FULL-TIME 2-YEAR HIGHER NITEC WITH 10 WEEKS PREPARATORY COURSES AND ENTRY REQUIREMENTS UNDER DPP

To be eligible for admission consideration to 2-year *Higher Nitec* courses under DPP, GCE Normal (Academic) Level applicants must obtain 19 points or less for the raw ELMAB3 aggregate score (i.e. English Language, Mathematics and best 3 other subjects, excluding CCA bonus points) and meet the minimum entry requirements as shown in the table below.

The “2022 JIE ‘H’ ELMAB3” in the table below shows the net ELMAB3 aggregate score of the lowest ranked students who were admitted to these courses through the 2022 Joint Intake Exercise JIE ‘H’ based on net **ELMAB3 including CCA bonus points**. These aggregate scores are meant as a reference for applicants applying to these courses and do not constitute the admission scores for subsequent admission exercises. For details on the computation of ITE aggregate points for 2-year *Higher Nitec* courses, please refer to page 82.

ITE COLLEGES:

CC-AM: ITE College Central
at Ang Mo Kio Drive

CE-SM: ITE College East
at Simei Avenue

CW-CK: ITE College West
at Choa Chu Kang Grove

The 2-year *Higher Nitec* courses are of 2½ years in duration for successful GCE ‘N’ (Academic) Level candidates. Students will first undergo a 10-week preparatory course in January 2023 before they start their 2-year *Higher Nitec* training in April 2023.

For general course advising, applicants may make an appointment online with one of our Education & Career Guidance (ECG) Counsellors via <https://for.edu.sg/ecg>.

The offer of an ITE course to applicants is subject to them being physically, medically and mentally fit to pursue the course. This is to ensure that all students can benefit from ITE training in a safe and conducive environment. Applicants or students assessed by ITE as being unfit can be withdrawn from the course. Where appropriate, they may be considered for other courses if there are suitable ones. The Learning Accessibility Office (LAO) at each ITE College will provide support to students with special educational needs in their learning process at ITE. Applicants with special educational needs are strongly encouraged to seek prior academic course advising from the respective College(s) via <https://for.edu.sg/LAO> before selecting their choice of application.

Notes:

- ① Applicants for the following courses must ensure that they do not have colour appreciation deficiency: **Electrical Engineering; Electronics Engineering; and Mechatronics Engineering** courses. Colour vision test will be conducted for applicants enrolled into these courses. Colour Vision Test is available over the Internet at <https://colormax.org/color-blind-test/> and at the ITE Colleges conducting these courses. Please take the test before submitting your application if you are not sure whether you are free from colour appreciation deficiency.
- ② For all courses:
 - (I) The 2-year *Higher Nitec* courses comprise 3 or 6 months of Industry Attachment.
 - (II) As all ITE courses will incorporate online learning as part of lesson delivery, students are advised to have access to a PC/Laptop for their learning. Financial assistance is available to eligible students under ITE Opportunity Fund to purchase PC/Laptop subject to terms and conditions. For details, turn to page 118.

POSTING OF APPLICANTS UNDER DPP

GCE ‘N(A)’ Level holders applying for admission to full-time 2-year *Higher Nitec* courses under DPP must first satisfy the entry requirements, including passes in the pre-requisite subjects for the courses applied. Admission is based on merit, and posting to a course is based on an aggregate of the student’s English Language, Mathematics and Best 3 GCE ‘N’ (Academic) subject scores (ELMAB3). A lower aggregate point is indicative of better performance.

Normal (Academic) Course

The corresponding ITE aggregate points for Normal (Academic) subject grades, for merit-based admission to full-time 2-year *Higher Nitec* courses under DPP are shown in the table below:

Computation of ITE Aggregate Points for Normal (Academic) Subjects

Normal (Academic) Grade	ITE Aggregate Points
1	1
2	2
3	3
4	4
5	5

For N(A) students, using their GCE ‘O’ Level subject grades taken in the same year as the N(A) subjects to apply for DPP, the computation of ITE aggregate points is shown in the Table below:

Computation of ITE Aggregate Points for GCE ‘O’ Level Subjects

GCE ‘O’ Level Grade	ITE Aggregate Points
A1 – B3	1
B4 – C6	2
D7 – E8	3

The GCE ‘O’ Level grade of F9 and GCE ‘N(A)’ grade of U will not be used to determine DPP eligibility. It will not be considered in both the aggregate score (ELMAB3) computation as well as minimum entry requirements.

Bonus Points

The table below shows the bonus points available for CCA participation. Please note that these bonus points will not be taken into account when determining whether applicants are eligible for courses. The CCA Bonus Points will only come into effect when the applicant has been deemed eligible and is being considered for posting based on merit.

Types of Bonus Points	Number of Bonus Points Awarded
For applicants with the following CCA grades:	
a) Excellent or Grades of A1 – A2	2 points
b) Good or Grades of B3 – C6	1 point

COURSE SYNOPSIS AND CAREER PROSPECTS

(Please visit ITE website: <https://for.edu.sg/dpp-higher-nitec-courses> for more information on the course curriculum and graduate employment survey results)

Higher Nitec in Accounting

Understand a business through numbers.

In this course, you will learn to prepare final accounts and cost accounts for various entities. You will also learn to use accounting software and apply accounting concepts to different business scenarios.

Higher Nitec in Accounting graduates are employed by government agencies, statutory boards and private sector companies. Some job titles held are Accounts Assistant, Accounts Associate and Finance Assistant. Graduates can advance in their careers (e.g. Accounts Executive, Senior Accounts Executive) once relevant experience and higher-level accounting skills are acquired.

Higher Nitec in Business Information Systems

Do you aspire to bloom and boom in business operations and infocomm technology?

You will have the opportunity to experience the best of both worlds and excel at them. Apply for this course and learn to develop the IT skillsets and competencies to support IT related systems and infrastructure in business operations and functions. It covers Business Enterprise Systems, Server Administration, Computer Networking, Database and Applications, Software Development, Virtualization and PC Maintenance.

Higher Nitec in Business Information Systems graduates may be employed by government departments, private sector companies and independent software vendors. Some of the job titles held by graduates include Business Information Systems Specialist, IT Technical Support Specialist, Web Developer, Associate System Administrator, Desktop Support Engineer and ERP Support Engineer.

Higher Nitec in Chemical Technology

Have you ever wondered what the components present in a bottle of perfume are?

If you are interested in extracting, isolating and identifying chemicals in a laboratory environment, you should take up this course now! You will learn to conduct and analyse chemicals using various wet chemistry techniques such as volumetric titration, liquid-liquid extraction and advanced analytical instrumentation techniques such as spectroscopy and chromatography.

Higher Nitec in Chemical Technology graduates are suitable for a career in the research and development department, quality assurance or quality control laboratories in the food, chemicals, petrochemicals, pharmaceutical, and urban farming sectors. Some of the job titles held by graduates include Laboratory Technician and Laboratory Assistant.

Higher Nitec in Civil & Structural Engineering Design

Are you fascinated by how Digitization and Emerging Technologies such as Building Information Modelling (BIM) software, DfMA and 3D Printing have revolutionised the way buildings will be designed, produced and constructed?

Digitisation has revolutionised the way our buildings and infrastructure being designed and constructed.

Ride on this digital wave as you will learn to use Building Information Modelling (BIM) to design and create 3D models for buildings, steel structures, and civil engineering works. You will also be producing structural and civil engineering drawings according to specifications and the relevant Codes of Practice.

You will emerge as a specialist in BIM modelling or CAD design, among many exciting careers that await you!

Higher Nitec in Cyber & Network Security

Are you game enough to be a cyber defender in securing our network servers and devices against online threats?

To cater to industry demand, the curriculum structure encompasses the specialised skills sets built upon broad-based foundation skills sets for the Infocomm Technology (ICT) sector. Join this course and be a champion for security to enhance cybersecurity defence for businesses. You will learn to support cyber security operations in end-user devices, network, and server in an enterprise IT / cloud environment for cyber security services. You will also learn to analyse security-related events and escalate incidents for validation and remediation.

Higher Nitec in Cyber & Network Security graduates are employed in public and private sector organisations to administer networks and operating systems, monitor the network for security events, assist to manage virtualization infrastructure and perform cyber security operations. Some of the job titles held by graduates include Cyber Security Associate, Technical Support Associate, IT Security Specialist, Network Security Specialist, Systems and Security Administrator.

Higher Nitec in Electrical Engineering

Electricity, the most convenient and useful form of energy which keeps modern cities running. It is one of the essential services with ever-changing needs.

This course will prepare you to perform a crucial role of ensuring electrical engineering and services are operational. This includes intelligent building control, renewable energy such as solar power and predictive maintenance driven by data analytics. New job opportunities are available to support the transport electrification such as electric vehicle charging infrastructure.

Higher Nitec in Electrical Engineering graduates are highly sought after and employed by government departments, statutory boards and private companies. Some of the job titles held by graduates include Electrical Engineering Technician, Electrical Power Technician, Electrical Supervisor, Engineering Assistant, Electrical & Electronics Marketing Executive, Instrumentation Technician and Production Supervisor.

This course is recognised by the Energy Market Authority (EMA) of Singapore for the application of an Electrician Licence.

Higher Nitec in Electronics Engineering

The key to the future of a smart nation is leveraging the fundamentals of IoT, AI, Automation, smart devices and systems.

Be immersed in the innovation and evolution of smart devices and systems (autonomous robotic systems, smartphones, wearables, home appliances, smart audio-visual systems and others). Gain strong foundations and essential skills in electronics and a good head start in your careers in numerous sectors:

- AI & Automation
- Audio Visual Systems
- IoT and Communications
- Microelectronics

Higher Nitec in Electronics Engineering sets your career in an industry with boundless opportunities in autonomous robotic systems, AI-Powered autonomous systems, audio visual systems, consumer electronics, Internet of Things (IoT), smart nation, communication systems, microelectronic manufacturing and semiconductor industries.

With strong industrial partnerships, our students are provided with a wide array of internship opportunities and projects collaboration. Our student-centric and authentic learning approaches produce highly skilled, versatile and professional graduates, who are greatly sought after by the industry.

Career opportunities include Engineering Assistant, Technical Specialist, Junior Autonomous Vehicle Engineer, Quality Technical Support, IoT Assistant Engineer, Audio Visual Specialist, Communication Equipment Assistant Engineer, Junior Robotics Engineer, Assistant Sales Engineer, Assistant Field Customer Engineer, Computer Services Assistant Engineer, Manufacturing Assistant Engineer, and Process Assistant Engineer.

Higher Nitec in Event Management

Do you aspire to plan and bring alive memorable events that leave lasting impressions?

If yes, the *Higher Nitec* in Event Management course is the choice for you!

With evolution of business events, i.e. Meetings, Incentives, Conventions and Exhibitions (MICE), and special events, competent and skilled event professionals are highly sought after. Through the training in MICE, Facilities & Venue Management, Event Sales & Sponsorship and Event Planning & Management modules, you will develop event organisational skills that will equip you to manage on-site operations, coordinate event logistics, write and present compelling proposals, and engage effectively with suppliers and customers.

Additionally, you will have the opportunity to delve into sustainability, hygiene and safety practices of events through the study of the Event Business Environment module. You will also be challenged to navigate and create new virtual or hybrid events using appropriate technology applications.

Students will supplement their trade skills with Business Analytics, Digital Commerce & Marketing and Customer Relationship Management to make informed data-driven decisions, curate and create meaningful customer experiences and achieve effective returns on engagement.

The dynamic event industry calls for capable, resilient and adaptable individuals who are equally excited to test their creativity. With the right skills and attitude, you will be part of this dynamic industry creating memorable experiences for thousands!

Higher Nitec in Event Management graduates are employed by Professional Conference/ Exhibition/ Event organisers, Destination Management companies, event companies, venue operators, hotels and many other organisations responsible for organising and managing seminars, meetings, conferences and special events. Some of the job titles held by graduates include Events Coordinator/ Executive and Project Coordinator/ Executive.

Higher Nitec in Financial Services

Master the financial services industry.

Designed for future financial professionals who want to make an impact in the banking and insurance sectors, the *Higher Nitec* in Financial Services course gives you a head start and provides you with the skills and knowledge in financial services for individuals and organisations.

As Singapore continues to thrive as an international financial hub, there are good employment opportunities. Graduates are skilled in a wide variety of functions, including banking and administrative support in banks and insurance companies.

Graduates are employed as Branch Customer Service Executive and Service Banker in banks, Underwriting and Claims Assistants in insurance companies and other financial institutions. There are opportunities for career advancement to supervisory positions and beyond.

Higher Nitec in Hospitality Operations

Do you see yourself leading a team of Hospitality Professionals in the near future?

When you enrol in the *Higher Nitec in Hospitality Operations* course, you will be equipped with service skills and knowledge that are sought after by the hospitality and tourism industry. Your learning will take place in ITE's authentic hands-on facilities that mirror those in the industry. You will gain knowledge in Front Office Operations, Executive Lounge Service, Housekeeping, Hospitality Data Analytics, Hospitality systems, Hospitality Events Management, and Customer Service.

Our programme includes a 6-month enhanced internship at one of the many establishments in the hospitality industry that partners with ITE.

Higher Nitec in Hospitality Operations graduates are employed by hotels and other establishments in the service sector. Some of the job titles held by graduates include Front Office Executive, Guest Relations Executive, Hotel Reservations Officer, Housekeeping Associate and Sales & Marketing Executive.

Higher Nitec in Immersive Applications & Game (previously known as Higher Nitec in Games Art & Design)

Be empowered to create in the world of digital immersion.

From ideation, conceptualisation to development, see your creations come to life in the digital world. Tap into your imagination and creativity as you learn to design and develop immersive and game applications to cater to various industries, including retail, education, healthcare, real estate, media and entertainment. This course also provides you with a foundation in gamification techniques and programming skills for building multi-platform immersive experiences.

Career opportunities include UI/UX Designer, Game Interface Designer, Junior Programmer (Game Technical Development), Interactive Content Developer or Tester. You can look forward to careers in both the ICT and Media sectors.

Higher Nitec in International Logistics

Discover your calling in the future of Logistics – the ultimate backbone of global trade!

Logistics plays a vital role in today's economy. The success of a business is dependent on its logistics strategies and hence a skilled logistician is highly valued in any organisation. It is an industry that offers our graduates a wide range of job opportunities and promising career progression.

Higher Nitec in International Logistics will equip you with the trade skills and knowledge to handle import and export documentation, monitor custom clearance, coordinate international shipments, liaise with government authorities, carriers, agents and local/overseas customers, support procurement activities, support last mile operations, manage warehouse inventory and perform warehouse operations.

Students will also learn about Artificial Intelligence (AI) and Emerging Technologies in the logistics industry, Business Analytics, Digital Commerce & Marketing and Customer Relationship Management to enhance employability and stay future ready.

Higher Nitec in International Logistics graduates are employed by major logistics companies, supply chain solution companies, shipping agencies, distribution centres and warehouse operators. Some of the job titles held by our graduates include Logistics Coordinator, Warehouse Coordinator, Import Export Administrative Assistant, Customer Service Officer, Order Fulfilment Assistant, Shipping Coordinator, and Logistics Data Management Coordinator.

Higher Nitec in IT Applications Development

Develop solutions for the digital economy!

With the digital transformation that all industries are experiencing, the demand for Application Developers will continue to experience substantial growth in the coming decades.

In the *Higher Nitec* in IT Applications Development course, you will develop highly sought-after skills and capabilities to design, develop, deploy and maintain web and mobile applications to meet business objectives.

Higher Nitec in IT Applications Development graduates may be employed in various public and private sector organisations as Application Specialist, Application Developer, Application Programmer, Software Developer, Interactive Developer, UI/UX Designer and UI/UX Developer.

Higher Nitec in IT Systems & Networks

Are you enthusiastic about how computer systems communicate with other computers and peripherals in a networked environment? Do you want to know how to manage server operating system and implement secured wireless and wired networking environment?

Instructions to Successful Applicants Who Have Accepted 2-Year Higher Nitec with 10 Weeks Preparatory Courses

For Singaporeans/Singapore Permanent Residents

You are required to report to your posted College on **Mon 9 Jan 2023** to register for your course and commence training. The Enrolment Letter, which contains registration details, will be sent to the email address that you have provided during application. You can also view your Enrolment Letter by following these steps: Login with your User ID and Password > 'Self-Service' > 'Student Admission' > 'View Enrolment Letter'.

The fees payable is indicated on page 112. For your convenience, you may pay your preparatory course fees via a number of payment modes which is explained on page 111. **If you do not pay your fees by Mon 9 Jan 2023, you will be deemed to have withdrawn your training place and the place will be offered to other eligible applicants appealing for a place in the course.**

You are to report to your posted College on **Mon 9 Jan 2023 at the time as indicated in your enrolment letter**, in white top and black bottom to commence training. Please bring your NRIC on that day.

For International Students

You are required to apply for a Student Pass via SOLAR+ by **Mon 9 Jan 2023**. A separate letter will be sent via email to inform you of the details. **Your admission to the course is subject to clearance by the Immigration & Checkpoints Authority (ICA) for the issuance of a Student Pass to study in ITE.**

Upon obtaining your Student Pass, you are to call or email to the Customer & Visitor Centre of your posted College to make an appointment to report to the College, pay fees for the 10-week preparatory course and register for the course. You are also required to submit the completed Application Form for InterBank GIRO (attached at the end of this booklet) for payment of subsequent term (i.e. from April 2023 term) fees. The payment modes are explained on page 111 and the preparatory course fees payable are indicated on page 112. **You are allowed to commence your training only after you have obtained the Enrolment Letter from the Customer & Visitor Centre of your posted College, paid your preparatory course fees and submitted the completed Application Form for InterBank GIRO.**

If you do not report to the College with an Enrolment Letter to commence training by **Mon 13 Feb 2023 (5pm)**, your training place will be withdrawn and offered to other eligible applicants appealing for a place in the course.

The preparatory course for January 2023 term will start on **Mon 9 Jan 2023**.

Change of Citizenship

Fees are charged based on Citizenship at the point of term commencement. Students who have officially informed ITE of their Citizenship change to Singapore Citizen or Singapore Permanent Resident before the term commencement will have their fees adjusted to the Singapore Citizen / Singapore Permanent Resident rate for that term. However, for students who inform ITE officially of their Citizenship change to Singapore Citizen or Singapore Permanent Resident after the term commencement, their fees will be adjusted to the Singapore Citizen/ Singapore Permanent Resident rate only with effect from the next term.

INSTRUCTIONS ON APPEAL FOR ADMISSION OR TRANSFER (FOR JIE ‘H’ INTAKE EXERCISE)

If you are offered a course, you are advised to accept it through the Internet before appealing for a change of course or College. Otherwise, your place will be offered to those who are eligible and have appealed for the course. To appeal for transfer to another course, you should accept the course offered and submit another application via the Internet. If you require course advising, you may make an appointment online with one of our ECG Counsellors via <https://for.edu.sg/ecg>.

If you have applied and are **not offered a course**, you may submit an appeal for admission through the Internet for the courses you are eligible to appeal for.

You have to submit your appeal between **Fri 23 Dec 2022 and Wed 28 Dec 2022**. Please note that you must meet the minimum entry requirements for the course(s) before you can submit your appeal. While all eligible appeals will be given due consideration, meeting the minimum entry requirements does not guarantee you a place in the course, as admission is also subject to available vacancies in open competition.

Guide to Internet Appeal for Full-Time 2-Year Higher Nitec Courses

Please follow the instructions below carefully:

- Microsoft Edge and Google Chrome are recommended. Mobile devices are not recommended.
- Go to <https://www.ite.edu.sg> and click on the ‘Apply for ITE Courses’ link to view the list of intake exercises.
- Click on ‘Direct Entry Scheme to Polytechnic Programme (DPP)’ under ‘Full-Time 2-Year Higher Nitec with 10 Weeks Preparatory Courses (Jan 2023 Intake)’.
- Click ‘Apply Now’ to link you to the application website.

Step 1

- Enter your NRIC / FIN and Date of Birth.
- Click ‘I WANT TO SUBMIT AN APPLICATION’.
(or you may also apply using Singpass)

Step 2

- Read instructions on the screen.
- You must pass the colour vision test if you wish to apply for the **Electrical Engineering; Electronics Engineering; and Mechatronics Engineering** courses. To find out if you are free from colour appreciation deficiency, go to <https://colormax.org/color-blind-test/> to do a self-check.
- Otherwise, click ‘NEXT’ to proceed.

Step 3

- **Enter your choices in order of preference.** Check through your choices.
- After that, click ‘SUBMIT’.

Step 4

- Click ‘YES – SUBMIT’ to confirm and submit your application.

Step 5

- You will see on the screen a verification slip with the choices you have made and your web ID and password. Click ‘PRINT’ at the bottom of the page to print a copy of the verification slip for your reference. You will need your web ID and password to view the result of your application.

You are allowed to make changes to your application only once over the Internet. Please follow the instructions in the verification slip for making changes to your application over the Internet. For subsequent changes to application, you have to call or email to any of the Customer & Visitor Centre of ITE Colleges listed on page 137 for assistance within the application/appeal period.

Result of Appeal

You must check the final result of your appeal at <https://istudent.ite.edu.sg> using the given web ID and password between Fri 30 Dec 2022 (9am) and Wed 4 Jan 2023 (any change in date will be communicated over the web). You need not call or write to ITE about your application before the results are released.

	International Student	\$10,180	\$18	\$30	\$13	\$10,241

Note:

Under the cohort-based fee structure, a student's tuition fees will remain unchanged for the entire duration of the course (except student in Year 3 of the 3-year *Higher Nitec* course). With this new fee structure, students will have greater certainty regarding tuition fees and can better plan for the financing of their studies.

- 1) The above are based on Academic Year 2022 fees and are subject to revision in Academic Year 2023. For the latest fee rate, please refer to ITE website at <https://www.ite.edu.sg>.
- 2) Fees are charged based on 6-month term.
- 3) Students are required to pay their term fees for all terms by the stipulated dates in order to remain in their course of study. For the subsequent terms, students are required to pay their fees through PSEA / GIRO (if you are not paying using PSEA, or your PSEA balance is insufficient for all terms in the course of study).
- 4) For students who are matriculated into 2-year *Higher Nitec* courses under the JIE 'H', they will first need to undergo a 10-week preparatory course under the January 2023 term, before they commence their 2-year *Higher Nitec* training under the April 2023 term. Students will be required to pay fees for the 10-week preparatory course in January 2023 before they commence their preparatory course, while the fees for the April 2023 term will be collected in April 2023 before the term commences for the *Higher Nitec* training. GIRO deduction of fees will only commence from April 2023 term onwards for students matriculated into 2-year Higher Nitec courses under the JIE'H.
- 5) Full-time International Students studying in ITE are required to participate in the Group Hospitalisation and Surgical Insurance [GHSI(IS)] scheme, and the insurance premium will be included in the fees at the start of each academic term. The purpose of the GHSI(IS) is to help defray the hospitalisation expenses for International Students in the event that they are hospitalised. The GHSI(IS) amount payable is subject to yearly review.
- 6) All students in the *Nitec* in Nursing course are required to participate in the GHSI (Healthcare) scheme, which will cost \$13.00 per term (rate applicable for AY2022. Please check latest fee rate at https://www.ite.edu.sg) for insurance premium. This amount will be included in the fees at the start of each academic term. The GHSI (Healthcare) provides coverage for hospitalisation expenses plus an outpatient rider for clinical attachments. The purpose of the rider is to cover medical treatments and diagnostic tests as necessary in the course of study and/or clinical attachments for the *Nitec* in Nursing students. GHSI (Healthcare) rate payable is subject to yearly review.
- 7) **Fees are charged based on citizenship at the point of term commencement. Students who have officially informed ITE of their citizenship change to Singapore Citizen or Singapore Permanent Resident before the term commencement will have their fees adjusted to the Singapore Citizen / Singapore Permanent Resident rate for that term. However, for students who inform ITE officially of their citizenship change to Singapore Citizen or Singapore Permanent Resident after the term commencement, their fees will be adjusted to the Singapore Citizen/ Singapore Permanent Resident rate only with effect from the next term.**

Refund of Fees

Tuition, Supplementary and Examination fees may be refundable under the following conditions:

Date of Application for Refund	Amount of Refund*
2 weeks or more before start of course / term	100% refund
Less than 2 weeks before start of course / term	50% refund
After start of course / term	No refund

* Refund is not an automatic process and subject to approval. Applicant must apply for refund before ITE will process the request.

AWARDS, FINANCIAL ASSISTANCE SCHEMES AND SPONSORSHIPS

1) ITE Community Scholarship

The ITE Community Scholarship is open to Singaporean GCE ‘N’ / GCE ‘O’ Level holders who have been selected for ITE’s full-time *Higher Nitec* and *Nitec* courses and are in the top 10% of the GCE ‘N’/ GCE ‘O’ level entrants at each intake exercise. Company-sponsored students admitted to ITE’s full-time courses are also eligible for the scholarship.

Successful recipients will be informed by ITE. No application is required.

Each scholarship will be given for the duration of the course. For recipients in a 2-year or 3-year course, renewal in the second and third year of study is subject to their performance and conduct in the previous year of study.

The value of the award is \$1,800 per year and 100% tuition fee subsidy per annum.

Recipients of the ITE Community Scholarship will not be eligible for the Edusave Merit Bursary or Higher Education Community Bursary.

2) Higher Education Community Bursary

The Higher Education Community Bursary is open to Singaporean applicants seeking admission to ITE full-time courses. To be eligible, the applicant’s gross monthly household income (GHI) must not exceed \$4,400 or gross monthly household per capita income (PCI) must not exceed \$1,100. Students will only need to meet one of the income criteria to be eligible for the Higher Education Community Bursary. In the event that a student meets both the GHI and PCI that are pegged to different quantum, the bursary that accords the higher quantum will be awarded to the student. Details are given in the table below:

Income		Bursary Quantum per Annum for <i>Nitec and Higher Nitec Courses</i>
Gross Monthly Household Income (GHI)	Gross Monthly Household Per Capita Income (PCI)	
≤ \$3,000	≤ \$750	\$1,600 + 100% tuition fee subsidy
\$3,001 to \$4,400	\$751 to \$1,100	\$1,300

Applicants for the bursary must not be in receipt of the ITE Community Scholarship or any other full scholarship (a full scholarship typically covers tuition fees payable and a monthly or annual living allowance).

To apply for the bursary, an applicant will be required to submit an online application for financial assistance and submit the supporting income documents (e.g. latest payslips, letters from employers) to the College where he/she is studying for verification.

- Go to the website <https://for.edu.sg/ite-student-portal> and log on with ID and password
- Click on the “iStudent/MyExam” icon, and then the "Financial Assistance" icon

Successful applicants will be informed by their Colleges.

3) Higher Education Bursary

The Higher Education Bursary is introduced for ITE students whose gross monthly household income (GHI) must not exceed \$10,000 or gross monthly household per capita income (PCI) must not exceed \$2,500. Students may apply for the bursary at any time during an academic year. Students will only need to meet one of the income criteria to be eligible for the Higher Education Bursary. In the event that a student meets both the GHI and PCI that are pegged to different quantum, the bursary that accords the higher quantum will be awarded to the student. Details are given in the table below:

Income		Bursary Quantum per Annum for <i>Nitec and Higher Nitec Courses</i>
Gross Monthly Household Income (GHI)	Gross Monthly Household Per Capita Income (PCI)	
≤ \$3,000	≤ \$750	
\$3,001 to \$4,400	\$751 to \$1,100	\$650
\$4,401 to \$7,500	\$1,101 to \$1,875	\$650
\$7,501 to \$10,000	\$1,876 to \$2,500	\$440

Applicants must be a subsidized Singapore citizen student pursuing full-time *Nitec* or *Higher Nitec* course and must not concurrently hold any other full scholarship (a full scholarship typically covers tuition fees payable and a monthly or annual living allowance).

To apply for the bursary, an applicant will be required to submit an online application (see application steps under Higher Education Community Bursary) for financial assistance and, submit the supporting income documents (e.g. latest payslips, letters from employers) to the College where he/she is studying for verification.

4) Edusave Merit Bursary

The Edusave Merit Bursary is awarded to ITE full-time *Higher Nitec* or *Nitec* students in recognition of their academic performance. Singapore Citizens who are ranked within the top 25% of their course based on their examination results of the training year and have a Gross Monthly Household Income not exceeding \$7,500 or per capita income not exceeding \$1,875, will qualify for this award. Each award is valued at \$500. All eligible students will be informed by their respective Community Centres on the application procedure.

5) ITE Monthly Financial Assistance Scheme (MFAS) and Special Student Assistance Scheme (SSAS)

The ITE MFAS scheme aims to provide monthly allowance for a period to needy full-time Singaporean students who face special hardship circumstances and require regular financial assistance to help them with daily expenses.

The ITE SSAS scheme aims to provide a one-off financial assistance to tide full-time Singaporean students over short-term financial difficulties so that they can continue with their study.

To apply for the financial assistance, an applicant will be required to submit an online application (see application steps under Higher Education Community Bursary) and submit the supporting income documents (e.g. latest payslips, letters from employers) to the College where he/she is studying for verification.

For more details on the MFAS and SSAS schemes such as quantum of award and eligibility criteria, please refer to <https://for.edu.sg/ite-fas>.

6) ITE Arts Excellence Award

The objective of the ITE Arts Excellence Award is to recognise quality contributions by students to ITE arts scene and to motivate on-going students to excel in music and the arts.

ITE full-time *Higher Nitec* and *Nitec* students who have a good record of CCA, exemplary conduct, positive attitude and outstanding arts &/or music achievements/performance in ITE will be nominated for the award. The value of the award is \$300 and nomination is opened to students in their final year of course only.

7) ITE Sports Excellence Award

The objective of the ITE Sports Excellence Award is to encourage and motivate on-going students to excel in sports and games and to recognise outstanding contributions and achievements by students in ITE's sports arena.

ITE full-time *Higher Nitec* and *Nitec* students who have attained a good record of CCA, exemplary conduct, positive attitude and outstanding sports &/or games achievements in ITE will be nominated for the award. The value of the award is \$300 and nomination is opened to students in their final year of course only.

8) ITE CCA Medal

The ITE CCA Medal is awarded to the full-time *Higher Nitec* and *Nitec* students who have brought honours to ITE through their achievement in music and arts, sports and games or have contributed significantly to the enhancement of College life and demonstrated outstanding leadership in their chosen CCA.

The awardees will be selected from among the recipients of EAGLES. Recipients of an equivalent incentive award will also be considered on a case-by-case basis. Each awardee will receive a Certificate and a Medal.

9) Good Progress Award

The Good Progress Award (GPA) is aimed at rewarding the top 10% of ITE full-time Singaporean students who show commendable improvements in their *Higher Nitec* and *Nitec* courses. They must have passed all the accountable modules in the examinations and must not be in receipt of the Edusave Merit Bursary or ITE Community Scholarship. Each award is valued at \$400. No application for the award is required as the students who have shown progress in their studies will be identified.

10) Edusave Skills Award (ESA)

Edusave Skills Award is given to students who demonstrate excellent professional and soft skills throughout their course of study based on their performance in curriculum components such as industry attachment, final year projects and/or achievements in competitions, conferences or other platforms which require application

of course-specific skills. Up to 10% of ITE full-time Singaporean students in the graduate cohort of the year of nomination will be selected for the award yearly. Each award is valued at \$500.

11) Edusave Awards for Achievement, Good Leadership and Service (EAGLES)

EAGLES is an award that gives recognition to ITE full-time students for their leadership qualities, service to community or excellence in the non-academic areas, i.e. Sports & Games, Arts & Cultural Activities, Clubs & Societies, and Community Service. Up to 10% of ITE full-time *Higher Nitec* and *Nitec* students who are Singapore Citizens will be selected for the award yearly. No application for the award is required. The cash quantum of each award is \$500.

12) Edusave Character Award

Edusave Character Award (ECHA) is given to ITE students who demonstrate exemplary character and outstanding personal qualities through their behaviour and actions. Up to 2% of ITE full-time *Higher Nitec* and *Nitec* Singaporean students will be selected for the award yearly. Each award is valued at \$500.

13) Howe Yoon Chong-PSA Scholarship

The Howe Yoon Chong-PSA Scholarship provides financial assistance to Singaporeans from lower income families to upgrade themselves through attaining formal qualifications and/or technical skills.

The Scholarship is open to Singapore citizens aged 25 years and below who are admitted to a full-time *Higher Nitec* or *Nitec* course and whose gross monthly household per capita income is \$750 and below. For applicants with GCE ‘O’ qualification, the aggregate score for English Language, Mathematics and best 3 subjects must not exceed 26 points. For applicants with GCE ‘N’ qualification, the aggregate score for Mathematics and best 3 subjects must not exceed 9 points.

The Scholarship will pay for the tuition and other compulsory fees, monthly living allowance of \$350, and an annual book allowance of \$200.

Applications will open in November 2022.

Details on the Scholarship are available at <http://www.hycpsascholarship.com>.

14) SAF-ITE Sponsorship (Enhanced Warrant Officers Scheme) and SAF-ITE Sponsorship (Military Domain Experts Scheme) for Higher Nitec / Nitec courses

Students seeking admission into ITE full-time *Higher Nitec* and *Nitec* courses may apply for sponsorship under SIS (EWOS) in short for SAF-ITE Sponsorship (Enhanced Warrant Officers Scheme) and SIS (MDES) in short for SAF-ITE Sponsorship (Military Domain Experts Scheme). Under these schemes, the SAF will provide ITE students with sponsorship of their studies, which covers tuition fees and other compulsory fees. In addition, they will receive a monthly allowance ranging from \$550 to \$750, depending on course and the type of vocation applied.

Sponsored students are required to serve a bond upon completion of their ITE courses. They may choose to join the Army, Navy or Air Force.

15) Sponsorship for Nitec in Nursing Course

Hospitals offer sponsorship awards to selected students who have successfully enrolled in the *Nitec* in Nursing course. Upon successful completion of training, recipients will join the sponsoring hospital where you will perform direct nursing care and activities to patients. More information on this sponsorship would be available after students commence the course.

16) Singapore Olympic Foundation – Peter Lim Sports Scholarship

The Singapore Olympic Foundation – Peter Lim Sports Scholarship is offered to ITE students pursuing full-time courses. Special consideration will be given to athletes who are in financial need. More information on this scholarship can be obtained at the respective ITE Colleges.

17) Keppel Care Foundation Scholarship & Keppel Merit Awards

The Keppel Care Foundation (KCF) Scholarship and Keppel Merit Awards are offered to ITE full-time students from the Schools of Engineering, Electronics & Info-Comm Technology and/or Business & Services courses. The objective of the KCF Scholarship and Merit Awards is to provide assistance for ITE students who need financial aid and encourage them to continue to excel in their course in ITE. The quantum of the KCF Scholarship and Keppel Merit Awards is valued at \$9,600 and \$3,000 per recipient respectively.

18) Industry Scholarships for Courses

ITE has a wide range of scholarships and sponsorship awards offered by external organisations and companies. Students who do well in their studies, have a good track record in co-curricular activities, leadership qualities and special talents will stand a good chance of getting these scholarships. TRAINEESHIP TRAINING SYSTEM

Traineeship is a structured mode of training that enables you to learn valuable skills in an actual work environment and earn a salary at the same time. The training duration varies from 1 to 2 years, depending on the Traineeship course you have chosen.

A Traineeship course comprises 2 components as follows:

On-the-job training:

You will work under the supervision of an experienced and qualified trainer in the sponsoring company to learn the skills needed for the job.

You will enjoy the following benefits:

- Learn from qualified and experienced trainers
- Acquire life skills through on-the-job training
- Enjoy benefits as other employees in the company
- Gain a head start in your career
- Receive the same national certificate as full-time ITE graduates
- Attain recognition of Traineeship completion
- Have the same opportunities as full-time graduates to upgrade your skills through further education

Off-the-job training:

For Traineeship courses conducted at ITE Colleges, you will attend theory and practical lessons at the selected ITE College and work at the sponsoring company. For Traineeship courses conducted at an ITE Approved Training Centre (ATC), you will attend theory and practical lessons, and work at the sponsoring company. The lessons may be conducted on a full-time block-release (full-time for a few days or weeks) and/or day-release (once or twice a week) basis.

TRAINEESHIP COURSES AND ENTRY REQUIREMENTS

GCE ‘N’ / GCE ‘O’ holders can apply for the following Traineeship courses under the January 2023 intake:

Course	Course Code	Off-The-Job Training Location Code	Minimum Entry Requirements	Indicative Starting Salary for Training (\$)
National ITE Certificate (Nitec) – 1 year

Notes:

- 1) Applicants for the Automotive Technology; and Built Environment (Mechanical & Electrical Services) courses must be free from colour appreciation deficiency. Colour vision test is available over the Internet at <https://colormax.org/color-blind-test/>. Please take the test before submitting your application if you are not sure whether you are free from colour appreciation deficiency.
- 2) Course commencement is subject to a minimum class size. In the event that a class is not able to start, ITE will inform all applicant(s) in the affected course, and assist to place the applicant(s) in the next alternative Traineeship course of his/her choice, subject to availability.

INSTRUCTIONS ON TRAINEESHIP APPLICATION

The application starts from 2.30pm on the day of the release of the 2022 Singapore-Cambridge GCE ‘N’ Level Examination results and ends at 5pm on 23 December 2022. Please refer to The Straits Times advertisement or ITE website following the release of the 2022 GCE ‘N’ Level Examination results for the exact application period and more details on the intake.

If you encounter difficulties with your application over the Internet, please call the ITE Customer Service Hotline on 1800 2222 111 or the Industry Training Division on 6590 2399 for assistance.

View Traineeship Videos and Attend Online Pre-Interview Session

If you have submitted an application for a Traineeship course over the Internet, you will be required to view the Traineeship videos and attend an online pre-interview session with an ITE Officer, before attending an interview at the company you are referred to. Otherwise, your place will be offered to other applicants who are eligible and have applied for the course.

The pre-interview session will be conducted online. Microsoft Teams is the platform that will be used for the pre-interview, and is available at <https://www.microsoft.com/en-sg/microsoft-365/microsoft-teams/download-app>. Please install the Microsoft Teams app on your device (e.g. laptop, PC, smartphone etc.) before the interview, and ensure that the front-facing camera and microphone permissions are enabled for the app.

Prior to attending the pre-interview session, please get ready your Form N, Examination Result Slip and Report Book. Your application will be withdrawn if you do not attend the pre-interview. An applicant must be employed by a participating company in order to join a Traineeship course.

Please refer to the **verification slip** for the links to make an appointment for the online pre-interview session from 27 December 2022 to 29 December 2022. Your application may be rejected if you do not view the Traineeship videos and arrange the online pre-interview session within 1 week of online application date. Vacancies are limited. ITE reserves the right to only serve applicants who have completed their online application, viewed the Traineeship videos and attended the online pre-interview session. You may contact us at 1800 2222 111 during office hours if you need assistance to make an appointment.

Change of Course or Company

To apply for a change of course or company, please contact the Industry Officers in-charge or email your request to ibt@ite.edu.sg. All applications for change of course or company are subject to vacancy.

NATIONAL SERVICE (NS) DEFERMENT

National Service (NS) liable males who wish to pursue ITE Traineeship courses in year 2023 will have to check their eligibility for NS Deferment. For latest updates on NS deferment eligibility and policy, please visit <https://for.edu.sg/ns-deferment>. Students who are not eligible for NS deferment will need to withdraw from the course that they are enrolled.

For Siblings Aged 21 and Above	Under Section 16(D) of the Education Endowment and Savings Schemes Act, I/we hereby authorise the PSE Scheme Administrator to make deductions from my / our PSEA to pay fees or charges incurred by my / our sibling named in Part 1 at any approved institution.		
	Signature	Signature	Signature

Note: If there are errors or omissions in the information on sibling(s), the SO will still be established but only the student's PSEA will be used for the deduction of fees.

Part 3 (Compulsory)

To be completed by Parent / Legal Guardian or by Student Aged 21 and above

The below MUST be signed by Parent / Legal Guardian if above student or sibling(s) whose PSEA used (in Part 2) is/are below the age of 21 years.

Under Section 16(D) of the Education Endowment and Savings Schemes Act, I hereby authorise the PSE Scheme Administrator to make deductions from my / my child's (children's) PSEA to pay fees or charges incurred by myself / my child at any approved institution.

I declare that, to the best of my knowledge, all the information in this form is true and accurate. In connection with this application, I undertake to furnish to the PSE Scheme Administrator any documents which the PSE Scheme Administrator may require for verification purposes, and also authorise the PSE Scheme Administrator to obtain from the relevant authorities / persons any information or documents which may be required for such purposes.

INSTRUCTIONS ON COMPLETION OF FORM

Any cancellations on the form will require a countersign. Do not use correction fluid or correction tape on the form.

Part 1

This part must be completed by the student.

Note: If the student has a PSEA, deduction of fees will always be made from his/her PSEA first.

Part 2

This part is to be completed if the student is requesting to use his sibling(s)' PSEA. If the student is using his own PSEA only, this part need not be completed.

- a) Sibling who is/are 21 years old and above need to authorise the usage of his/her PSEA by signing in this part of the form. If any one of the siblings is below 21 years old, parent's authorisation is required by signing Part 3 of this form.
- b) A student may request to deduct funds from up to 3 siblings' PSEA. However, if the student has a PSEA, deduction will first be made from his own account. Any shortfall will then be deducted from the sibling's account labelled "First" under the column heading "Deduction Priority". If there is still shortfall, deduction will be made from the sibling's account labelled "Next", followed by the account labelled "Last". Please see the examples below:

Scenario 1: When the student has PSEA balance of \$200

	Student	Sibling	Sibling	Sibling
PSEA Balance	\$200	\$200	\$400	\$400
Deduction Priority		First	Next	Last
Maximum Amount To Use		100%	25%	50%
Example	Course Fees	Amount Deducted		
A	\$350	\$200	\$150	
B	\$500	\$200	\$200	\$100
C	\$1,000	\$200	\$200	\$250 (25% of \$1000)

Scenario 2: When the student does not have PSEA or his/her PSEA balance is \$0

	Student	Sibling	Sibling	Sibling
PSEA Balance	-	\$200	\$400	\$400
Deduction Priority		First	Next	Last
Maximum Amount To Use		100%	25%	50%
Example	Course Fees	Amount Deducted		
D	\$250	-	\$200	\$50
E	\$700	-	\$200	\$175 (25% of \$700)

Part 3

This part authorises the use of the PSEA by the student and/or Parent/Legal Guardian.

a) "By Parent/Legal Guardian"

This section must be signed by a parent/guardian if the student or any sibling whose account is to be used is below 21 years old. A legal guardian is one who is court-appointed, or has been appointed guardian of a child or children by virtue of a will. Please submit the relevant documents to indicate that you are the legal guardian of the child or children.

b) "By Student"

This section must be signed by the student, if he is 21 years old or above.
